Project N° 1 – My Profession

This project is about yourself in 20 years more, in which you have to think that you already have your “dream work”.

In this case, you have to choose your profession and present yourself and tell us about your story as an engineer, chef, teacher, doctor, etc.

The first class, you have to decide what your profession is going to be, then, you must start creating your speech in which you have to complete with the following information:

1. What is my profession?
2. What type of work do you do?
3. What do you do at your work?
4. What do you wear to work?
5. Where do you work? (Describe the building or location.)
6. What kinds of people and other things do you see at work?
7. Is your work dangerous? ... boring? ... fun? ... difficult? ... interesting?
8. What do you like about your job?
9. What do you dislike?
10. How much do you earn?
11. When did you graduate from university? Which university?
12. Why did you choose that career?
13. What skills do you need to be a _____?
14. What makes you think of “Oh, I wanted to be a _____”?
15. What have your experiences been through these years?

❖ In your script, you MUST use some words (8 words) given in the Specific Vocabulary Section.
